About Me

Passionate UI/UX Designer with 6+ years of experience delivering user-centered designs across FinTech, SaaS, B2B, eCommerce, and EdTech. Skilled in user research, wireframing, prototyping, and usability testing, with a proven track record of increasing conversion rates, engagement, and product usability. Adept at collaborating with cross-functional teams and leading design initiatives from concept to high-fidelity execution.

Educational Background

Iqra University Islamabad (2016 - 2020)

BS Software Engineering (2.9 CGPA)

Work Experience

Senior UI/UX Designer | Savvy Programmers (Feb 2026 – Present | Pakistan, Lahore)

Designed user-friendly UI/UX solutions for eCommerce web and mobile applications, focusing on improving customer experience and conversion rates. Collaborated with developers and stakeholders to create responsive interfaces, user flows, wireframes, and high-fidelity designs using Figma.

Senior UI/UX Designer | Keeklr (Nov 2024 – Dec 2025 | Malaysia, Remote)

- Lead end-to-end design for client-focused SaaS products, creating user flows, wireframes, and high-fidelity prototypes.
- Improved task completion rate by 30% through usability-driven redesigns.
- Collaborated with developers and product owners to deliver solutions aligned with business goals and user expectations.

Senior UI/UX Designer | Podify (Aug 2024 – Nov 2024 | United States, Remote)

- Designed web and mobile experiences for a podcast agency, enhancing onboarding and engagement.
- Optimized website flows, leading to a 20% faster user setup process.

Lead UI/UX Designer | Digit Solution (Jan 2022 – Feb 2024 | Pakistan, Islamabad)

- Promoted from Senior to Lead, managing a team of 3 junior designers.
- Delivered enterprise dashboards and mobile apps, achieving high stakeholder satisfaction.
- Spearheaded landing page redesigns that improved conversion by 28%.
- Standardized design system and workflows to improve collaboration and reduce design time.

UI/UX Designer | Exytex Technologies (Jan 2021 – Dec 2021 | Pakistan, Wah Cantt)

- Translated product requirements into low- and high-fidelity designs in Adobe XD and Figma.
- Redesigned landing pages, achieving measurable conversion rate improvements.

UI/UX Designer | Exeloft Technologies (Jan 2020 – Dec 2020 | Pakistan, Wah Cantt)

- Collaborated with developers to implement new features and maintain product usability.
- Conducted user research and usability testing for multiple apps.
